

Dear Committee Members,

I am sorry I missed you on Monday March 11<sup>th</sup>. I am against all new forms of gun control but below I have listed what I could live with and consider being reasonable:

- Permits:** Pistol CCW and Assault Rifle Permit. 1 combined permit renewable every 5 years at the current rate plus \$20. This permit would be required to purchase a pistol or assault rifle otherwise a person is limited to non assault rifle long guns.
- Registration:** Register assault rifles when you renew your CCW/AR permit (every 5 years). There may be a charge of an additional fee of \$25 per assault rifle when registration renewal occurs. No registration for non assault rifles for CT citizens, permit or not.
- Magazines:** Limit of 10 rounds per magazine unless you possess a valid CCW/AR permit. No limit on size for permit holders. If permit holders are not exempt than I would propose a 20 round magazine limit.
- Background Checks:** All firearm sales and transfers go through NICS background check.
- Ammunition:** No change in ammunition sales and policies.
- Class of Assault Rifle:** Definition changes from detachable magazine plus 2 features to detachable magazine plus 1 feature.
- Crime:** Strengthen the penalties of unsafe storage of firearms and ammunition, straw purchases, possession of a weapon or magazine that you are not permitted for or unable to possess for other reasons, and crimes committed with a firearm.

Thank you for your time and if you would like to discuss this further I can be reached at 203-948-2060.

Sincerely,

Sean Marcus
